The Northern California Institute of Golf

Presents:

Trust Your Putts

w/ Coach Ken Hurdle

According to golf guru, Dave Pelz, “Regardless of skill level, putting accounts for approximately 43 percent of your total score. Lower this percentage and your scores will go down.”

These Monday classes are designed to build competence and confidence in your putting. During this class you will improve your putting technique, develop a tactical plan for sinking more putts as well as enhance your “human skills,” allowing you to “Trust Your Putts!”

Bring your putter AND a 7-, 8- or 9-iron!
Let us work together on building your “Trust” with your putter!

This class is limited to 6 students

Cost: $99
