

# Join "Team Relentless" For A Kicking for a Cure FootGolf Party

Sunday, April 17, 2016

Haggin Oaks FootGolf Complex

1:00 PM Registration

1:30 FootGolf Clinic

2:00 PM Welcome & Shotgun Start

5:00 PM Dinner, Awards, Drawing, and more

**Team Relentless** has joined forces with the **Leukemia & Lymphoma Society's Student of the Year Campaign**. This is a local/national event involving student teams throughout the Greater Sacramento Area to raise awareness and funds for the fight against blood cancer.

As the first team from Folsom High School, we are hosting a **Kicking for a Cure FootGolf Party**, and we hope you can join us!

WHAT IS **FOOTGOLF**? It's a unique blend of soccer and golf.

It's played with a soccer ball on a golf course, but with separate greens.

The goal? Get the ball in the hole with the fewest strokes (kicks) possible and all ages and levels (beginner to advanced) can enjoy this fast growing sport.

The day will be highlighted by a **FootGolf** clinic, shotgun tournament, longest drive "Kick" contest, closest to the pin, and more activities throughout the day. Dinner, awards, raffle, and a special ceremony to close out the day.

Join us for a fun filled day and help find a cure for cancer!

**Team Relentless / Andrew Guillen & Sean Woods**
